

Wellmark Medicare Seminar

Please join us for one of these special events.

Are you age 64? Or are you close to Medicare eligibility? Are you already eligible? We have a wonderful opportunity for you to participate in a Medicare Seminar.

We know that this is an area that never seems to have enough resources or learning opportunities and we wanted to share this opportunity with you.

There will be a guest speaker from Wellmark BCBS of South Dakota to talk about Medicare and all the moving pieces that it entails. They will also be available after the session should you have more individual questions.

Seats are limited, so don't wait to register!
